Bohunt Worthing Headteacher: Mr A Whitehead BSc (Hons)

January 2019

Dear Candidate

**Re: Wellbeing Assistant Head role at Bohunt School Worthing 2019**

Thank you for your interest in Bohunt School Worthing (BSW). The post arises due to the promotion to headship of the previous incumbent. We are seeking a charismatic and driven individual who will contribute to the further development of the new school. You will have the opportunity to help further grow the culture, ethos and expectations for all members of the community. If you are passionate about learning, are confident you can meet the challenges of establishing and delivering innovative education and developing a similar passion in others then I would encourage and welcome your application. We opened in September 2015 in temporary accommodation and moved into our new state-of-the-art buildings in September 2016.

Our Assistant Head post represents the opportunity to play a pivotal role in the second phase of our development as we move from being a new and growing school to one firmly established within our community. Since opening we have made excellent appointments across our highly motivated teaching team. My most important priority is getting the best staff appointed and potential is as important as experience. Successful candidates will have the ability to innovate, need to understand how to motivate young people, be able to take initiative and have a genuine commitment to supporting the personal and social development of pupils. In turn we will provide a supportive learning environment, offer you the opportunity to make a difference and actively promote your career development.

This is an exciting time to be joining the Bohunt Education Trust (BET), which currently comprises six secondary schools. Our £18 million Worthing School features various innovations in learning environments and technology that have been pioneered within the trust: dynamic learning environments, the use of ICT to transform learning including our 1-2-1 iPad scheme, STEM workshops (BET was STEM Leader of the Year in 2013), and excellent sports facilities. The trust has a proven track record of offering exceptional opportunities to develop your skills and career progression, to make a difference and work within a team committed to raising very high standards further

Applying for a new job can come with many questions. Applications are being handled through our school office; please contact Lisa Day (01903 601361, email [recruitment@bohuntworthing.com](mailto:recruitment@bohuntworthing.com)) with any queries, for an informal conversation about the role, to arrange a visit and for queries regarding application returns.

If you are interested in the role please complete the teaching application form via the TES website. Please ensure that all periods not in education, employment or training are explained. Your supporting statement should be no longer than two sides of A4. It is your opportunity to tell us a little bit about your personal philosophy of education, why you are attracted to this post, the skills you will bring and any other details which you think are relevant.

Finally, I look forward to receiving your application should you decide that you wish to contribute to the development of Bohunt School Worthing.

With very best wishes

Adam Whitehead
