Teacher of Science with KS3 responsibility

National pay scale salary + TLR2 (£3,000)

Start date: September 2019 (or earlier by negotiation)

Science Teacher with KS3 responsibility

We are seeking an ambitious and inspirational classroom practitioner to work with our Science department. The successful candidate will work closely with the Head of Science to develop standards and will have the drive and ability to lead and develop the curriculum and the quality of teaching in KS3. You will manage a team of subject specialists and will be accountable for high standards of student progress and implementing strategies for effective intervention. Potential is as important as experience so applications are invited from those currently with responsibility or looking for promotion. Bohunt School Worthing is a new Academy that opened in September 2015 with Year 7 and 8 only. We moved into state of the art buildings in September 2016 and have grown to 760 students across Years 7-11.

The Science department currently consists of 6 teachers and will grow further this year to accommodate the intake of additional students in September 2019. The department delivers both separate and trilogy GCSEs, is committed to trialling new ideas in their teaching and works hard to provide engaging activities and lessons to ensure that all students have every opportunity to make excellent progress. Please refer to the letter to applicants and job description for more specific details about the role.

Are you able to:

- Inspire and innovate?
- Nurture and develop (yourself as well as others)?
- Commit to, and raise further, high achievement and motivation?
- Optimise Science learning for all?

We will:

- Provide a supportive learning environment
- Offer you the opportunity to make a difference
- Actively promote your career development – you may already be targeting a middle leader position and we will support you accordingly

The South of England based Bohunt Educational Trust has evolved from Bohunt School in Hampshire, which is rated Outstanding in every category by Ofsted and the Times Educational Supplement School of the Year 2014. BET's educational philosophy is encapsulated by three short verbs: Enjoy, Respect and Achieve.

Our recent Ofsted report recognized the culture of high expectations across all aspects of the school including staff feeling proud, valued and "committed to making sure that all students do well". The successful candidate will need to demonstrate a commitment to and evidence of; success in sustaining academic excellence, helping every child succeed, being an excellent classroom practitioner as well as being able to; work as part of a team, roll up your sleeves and inspire other teachers to excel.

For further details or to make an appointment prior to applying please contact Lisa Day on 01903 601361, or by email recruitment@bohuntworthing.com

TO APPLY: Please read the job description, letter to applicants, school information, staff dress code and complete the teaching staff application process through the **TES website**.

Closing date: Midday on Friday 25th January
Interview date: Week commencing 28th January
Start date: September 2019 (or earlier by negotiation)

Bohunt School Worthing is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Any successful applicant will be required to undertake a Disclosure check by the Disclosure and Barring Service at an Enhanced level.
