

Friday Afternoon, Taster Sessions and after School Clubs

Dear Parents/Carers,

We had a fantastic response to our first Friday offer with over two hundred students staying on to take part in the Y7 Transition programme or to join supervised study. This Friday 13th September, we are very excited to be offering students taster sessions in the activities which will be running on a Friday afternoon between 2nd September until the end of term. Study support is also running for all students in Y8-11 who registered.

On Tuesday and Wednesday this week, tutors will help students sign up for Friday taster sessions. There are limited spaces so please encourage your child to be read and put their name down. The deadline for signing up for a taster session will be at the close of afternoon tutor time on Wednesday 11th September. Students can try up to three of the tasters and will be given a rota to follow by their tutors on Friday morning. All our Friday activities are run by professionals, coaches, volunteers or Bohunt Support Staff. All teacher led clubs will be run on a Tuesday to Thursday. The programme, which includes a range of Sports, Arts and Academic activities, will be published next week.

It is our expectation that all students commit to attending at least one club a week. Tutors will be ensuring students are signing up during the week of 16th September. All students will then begin their chosen activity during the week of 23rd September. If an activity is oversubscribed we will have a lottery to see who gets places this term with the opportunity available for those on a waiting list to take part later in the year.

Friday Art and Kung Fu will require a small payment of £3 per session, (£33 for the 11 sessions this term). If a place is confirmed on either of these activities you will be contacted and need to secure it by paying through our portal by Friday 20th September. If your child is entitled to Free School Meals, they may qualify for a reduced rate. Please contact Heather Carcary - hcarcary@bohuntworthing.com for further details.

We are rewarding commitment to attending extra-curricular activities with ERA points, 10 sessions attended = 10 ERA points. Rewards will be celebrated at the end of each term.

Yours sincerely
