

Ski Trip Update and Key Information

Dear Parents and Carers,

We would like to take this opportunity to update you on some key information and dates regarding the February ski trip. Firstly, thank you to those who have made all required payments towards the trip. A reminder that the deadline date for those still required to make payments is the **22nd November**.

Dry Ski

Please see the attached letter regarding this year's dry ski experience. Please note that this is completed over two different dates with differing departure and return times. Please take a few moments to read through the letter in advance of the trip, and take note of the date for your child's dry ski experience.

Parent Briefing

A full parent trip briefing will take place on **Tuesday 14th January from 18.00-19.00** in the main hall. You will be required to bring a valid passport in at this point. Please ensure that there is at least 6 months validity on passports from the date of departure. Students are also required to attend the briefing

Kit List

Although this will be covered in detail during the parental briefing, we are aware that some parents may wish to purchase items for Christmas presents. A basic list of essentials can be seen below.

1. Waterproof ski jacket
2. Salopettes (waterproof ski trousers)
3. Waterproof ski gloves
4. Ski socks (multiple pairs)
5. Base layers for warmth
6. Backpack to ski in
7. Water bottle (we may supply a small water bottle)

Student Information

A student information request is necessary in order to establish the ability of skiers, equipment required as well as travel details. It is essential that all parents complete the form to the best of their knowledge. This information will be sent to the travel company, who will only use it for the purpose of our trip. These details will not be held on record after the trip.

Please complete the survey by following the link below. The deadline for completion is **Friday 8th November**.
