Bohunt Worthing Headteacher: Mr A Whitehead BSc (Hons)

GCSE PE Rock Climbing Intervention Sessions
Wednesday 5th and Thursday 6th February

Dear Parent/Carer,

19th November 2019

As you are aware, your son/daughter is finalising their practical grades in preparation for their assessment in March/April. We have identified that their individual sport requires improvement and are providing an opportunity to attend two Rock Climbing intervention sessions on the above dates. We strongly advise that your son/daughter makes the most of this opportunity to improve their overall mark to the highest potential before they sit their summer exams.

Sessions will be taking place at E3Adventues (Blackland Farm) in Sussex from 9am – 4pm on Wednesday 5th and Thursday 6th February. Students will leave Bohunt School Worthing at **7.15am** and will return at approximately **5.30/6pm**. Sessions will be run by a qualified Rock Climbing Coach with experience in GCSE moderation and students will receive their practical grade as well as video evidence to support their moderation. The total cost will be approximately **£92** per student, however this may change depending on the number of students who participate. Please note that there is a maximum of 20 places available so this will be done on a first come, first serve basis. ***If your son/daughter is PP then the reduced price will be indicated on School Gateway.***

If your son/daughter is interested in attending these sessions and wants to secure their place then please make payment ASAP via School Gateway. The deadline for this is **Friday 17th January**. Should we not secure 20 student places the price of the sessions may increase. If this is the case we will make further contact and inform you of the additional cost, of which will need to be paid on School Gateway.

If you have any questions please contact me,

Mr Weedon Head of PE Bohunt School Worthing
