

Screenagers

Dear Parent / Carer,

I am delighted to announce the screening of Screenagers, the first feature documentary to explore the impact of screen technology on kids that offers parents and families proven solutions that work. What started out as a personal story for one has grown into a national movement, helping millions of teens and their families navigate growing up in a world with instant access to screens.

We invite you to attend with your child so you can start a conversation in your own home. After the film there will be an optional time of discussion and ideas sharing.

Our Parent Governor Vivien Makovik will be hosting the viewing, Vivien has already screened this film at the Dome cinema, Shoreham, and in our sister school Bohunt Liphook.

The screening will run on **Thursday 5th of December** starting at 6.30 and end at approximately 8.30pm. **Tickets are free but we ask you to book via school Gateway by ticking the permission box and indicating how many tickets you require, so we can plan the evening.**

You can follow the link to view the screenagers trailer [here](#).

On behalf of myself and the Governing body we hope to see you there. If you have any questions about the event please do not hesitate to email me mcordwell@bohuntworthing.com

Yours Sincerely,

Matthew Cordwell
Assistant Headteacher
