Bohunt Worthing Headteacher: Mr A Whitehead BSc (Hons)

Dear (Parent/Carer)

Subject: Year 7 science museum trip. Wednesday 29th January 2020

We are delighted to be able to offer your child the exciting opportunity to take part in the following trip as part of their studies in STEM. There are significant benefits to be had from an educational outing. Visiting key sites that tie in directly to the students' studies really brings the subject into perspective and relates their classroom learning to real-life experiences within a different cultural environment. This trip would provide an invaluable opportunity to utilise KS3 content in a stimulating way and for your child to gain a deeper understanding of this curriculum topic.

Trip Details	The Science Museum	Depart School	7:45am
Location	The Science Museum London	Return to School	4:15pm
Cost Per Student	£17	Mode of Travel	Coach

The price includes:

- Transport
- Insurance

The students will require a packed lunch and should wear full school uniform.

If you would like your child to take part in the trip it can be paid through the online school payment system. If your son/daughter is eligible for Pupil Premium and you wish to discuss financial assistance, please contact me directly as soon as possible.

We are excited to be able to offer this trip to all year 7 students as part of January's ERA day. We would actively encourage as many of our students to participate. It is usual that the overwhelming majority of year 7 students attend this trip. Please be aware that should your son/daughter not be able to attend, there will be a classroom based activity instead.

Please note that once payment has been made, it is non-refundable and terms and conditions will apply. As you know, we have the highest expectations of our students for their behaviour and conduct around school, and they rarely let us down. However, please be aware that your child's place on any school trip is dependent on their ability to cooperate fully with staff and other students, to be a responsible member of our community and to comply with school rules. In the unlikely event that a member of staff feels this is not the case, they reserve the right to withdraw a child from a trip for safeguarding purposes.

If you would like your child to take part in the trip, please log on to the school gateway and pay the £17 by Friday 17th January. Please note that we cannot guarantee a place in case of late payment.

If you have any queries, please do not hesitate to contact me directly.

Yours sincerely

Tim Bateup - Science museum trip leader
