

Year 7 Lexia Power-up program

Dear Parent/Guardian,

Thank you for your continued support of the introduction of the Lexia Power-up program. We are still in discussion with the provider about the technical issues and a lot of students are seeing improvements so please let us know if you are still having difficulties. Our average number of minutes has doubled since the Autumn term so students should be really proud of the achievement they have contributed to, as well as knowing they are improving individually on a range of Literacy skills.

To further increase the impact of the program and encourage students to continue to engage in the program, we are introducing a rewards scheme and a tiered sanction system.

Rewards

Our students who complete the 85 minute threshold every week for an entire half term period will be visited in tutor time and given a certificate and a prize. Our top ten students for each week will also be recognised with ERAs and school-wide recognition in celebration assemblies.

Sanctions

As you know, students have been receiving a '0 score behaviour point' on ClassCharts if they are not meeting the threshold of 85 minutes. Whilst this doesn't carry a sanction as a single entry, if students receive 3 of these in a term, they will be invited to a catch-up session on the Friday afternoon of that week. Logging of this behaviour point will now only be given to students who complete between 60 and 84 minutes.

Students who complete less than 60 minutes in a weekly period will now receive a behaviour point on ClassCharts as 'Deadline Missed' and an invitation to a catch-up session on the following Friday afternoon.

These sanctions are necessary to ensure that all students are engaging appropriately with the program and actively working to improve and make progress in English lessons, and across the school.

If you have any further questions, please contact me on the email address below.

Yours sincerely,

Tom Pearson
