

RE: MEP China Trip Cancellation

Dear Parents and Carers,

Following the recent government guidance, the Mandarin Excellence Programme (MEP) have taken the decision to cancel our school trip to China in July. Fortunately we have not released any funds to external providers and will be refunding payments made. Due to the large amount of trips we offer and the current demands on the finance team, we ask for your patience in receiving these funds back. We will of course endeavor to return the money as soon as possible.

We recognise that this news will be disappointing for you and your child. The Mandarin department will be looking at potential future opportunities, however it is very difficult to commit to any future residential or non-residential trips at this point.

We appreciate your patience and support during this period and we will pass on any information we get to you as soon as possible.

Yours Sincerely,

Mr. P. Jones

Assistant Headteacher
