

Fwd: Year 11 parents information

Dear Parents and Carers

As you will be aware, new guidance has been issued by the government and in light of this we have made the decision to make today, Thursday 19 March, Year 11's final day.

At present we do not have any further information beyond the confirmation that GCSE examinations will not take place this summer, with further guidance to be released tomorrow. At this point, we are encouraging students to continue their studies in every subject.

It was made clear in this morning's assembly to Year 11 that although examinations will not take place, it is the knowledge and skills our students have learnt over the last five years, the breadth of studies that continue to make students the most employable, respectful and resilient members of our community.

This will be an unsettling time for all of our students who have worked incredibly hard in the build up to the examination periods. To mark and celebrate the achievements and efforts of this year group we will be holding a celebration assembly this afternoon where students will then have the opportunity to sign shirts and say goodbyes to students and staff.

This continues to be an ever evolving situation and while the next stage of the governments' plans are unclear, this is not the end of our relationship with students and with you as parents. We are committed to fighting for every student to ensure their academic results are recognised, looking for future opportunities to celebrate their achievements.

Thank you for your support and patience in these extraordinary times,

Many thanks

Mr Whitehead
