

Start of term update

Dear Parents/Carers,

I hope you have managed to have a relaxing holiday time.

As we near the end of the Easter break I wanted to contact you with some brief information regarding the start of term. We will send a more detailed mailing on Friday.

The school leadership team had a meeting today to reflect on home learning so far, student wellbeing and prepare for school next week. **Term starts on Monday, however this first day will not follow your child's school timetable but instead involve some tutor group and pastoral based activities.** These tasks will be delivered through googleclassroom but will not involve live teacher input. We will still be open for the children of key workers and students who receive additional support on Monday.

The time created will be used to allow tutors to email all tutees individually and check on their wellbeing, staff to meet as departments and confirm plans and resources for what will be covered by each year group this half of term and staff to take part in some training to further improve aspects of our home learning provision. From Tuesday we will be following the same timetable structure as before the holiday with regards to home learning.

I hope you and your families are safe and well. If there is anything we can do to offer help and support the school office re-opens on Monday and can pass any enquiries on to the relevant member of staff.

Best wishes

Mr Whitehead
