

Dear Parent/Carer

I am writing to you today to share our plans regarding the return to school in September.

At the forefront of our plans is the safety of the staff and students. The plan outlines how we propose to bring all students back into school to continue their learning. As a part of the process of bringing the school community back in we would ask that parents take a moment to read through [the plans](#) and encourage parents to complete the google form if they have any feedback or questions.

It is worth noting at this point that we will adapt our planning over the summer based upon the most up to date guidance from the Department of Education. We hope the attached plan provides reassurance to families and we look forward to welcoming students back into school in September.

Yours sincerely,

Adam Whitehead
