

BSW School Day changes

Dear Parent / Carer,

I am writing to inform you of some changes that we will be making to the school timings starting on Monday 23rd of November. These changes are going to allow us to give students a longer lunch break thus giving them more time to eat and have a break from learning before their afternoon lessons. Please view the attached documents which clearly outline the timings of the day for students in all year groups. However, please can I draw your attention to the following:

- If students do not have tutor they now need to **arrive at 0855 ready for lesson 1 which starts at 0900.**
- We have removed the 5 minute lesson changeover slots in the morning. This is because the students have fully adjusted to the one way system and therefore this time is no longer required and can be used to give students a longer lunch break.
- With the removal of the 5 minute changeover time please can parents reinforce the expectation that students should move straight to their next lesson and that students will be challenged if they do not adhere to this.
- We have elected to keep the 5 minute change over slots in the afternoon as we recognize it is important that students have an opportunity to go to the toilet and fill up their water bottles if they need to.

In order to continue to support the BSW community, students will be required to stay within their year bubble in the usual locations at break / lunch and that in the event of a wet break we will revert to an amended timetable which allows one year group down to break and lunch at a time. Therefore, can I take this opportunity to remind parents that students should be provided with a warm coat (we ask that students do not turn up to school with a hoodie under their blazer), hat and gloves, as where possible students will be expected to be outside unless we are experiencing adverse weather.

We would like to thank families for your continued support and understanding as we look to provide the best for students in ever changing times.

Yours sincerely,

Mr Matthew Cordwell
Assistant Headteacher.
