Tuesday 8 th Dec	BET INSET	All students	School closed to all students

Brief news and achievements from the last two weeks:

Expressive Arts Faculty

The visitor reception area has been updated with some beautiful framed artwork created by Y9 students who were studying natural form. They were exploring watercolour techniques and the work of the artists Ernst Haeckel, Angie Lewin and Angela Faustina. Whilst we can't welcome visitors on site you can view the artwork virtually on our twitter account: @BohuntWorthing.

Humanities Faculty

On Wednesday 11th November we marked Remembrance Day with a two-minute silence across the school. Luke Heaton in Y10 played a poignant rendition of the Last Post before students and staff stopped to silently reflect on the sacrifices made in the First World War and other wars.

Leadership Team

Each year we have been proud to collect around Christmas time for Turning Tides. Our first three years of collections were for basic items to make 'Christmas packs'; socks, gloves, trousers and hygiene items that would give homeless people in our community comfort and dignity around the festive period. In year 4 and 5, we expanded these to include a festive 'wrapathon' event, where we not only collected items but wrapped them as well. It is a difficult time for all at the moment, but we still recognise the unique difficulties homeless people are facing in society currently. Therefore, starting from Friday 20th November we will be collecting for Turning Tides once more and keeping this tradition alive. We will provide parents with more information nearer the time.

Extra-Curricular

Students in Year 11 have been busily preparing for their upcoming mock examinations. We are very pleased to see how many students are regularly attending to engaging with intervention sessions in their core subjects to support them as they undertake their exam year.

Pastoral Team

Ms Brugnoli and Mrs Poole successfully launched the Girls on Board project this week. This aims to empower girls to support each other and resolve conflicts that might occur. A group of girls in Y7 and Y8 will be the first to take part in this exciting initiative.

Exams Team

Good luck to our Y11 students, commencing two weeks of mock exams on Monday. A reminder to all students to ensure they arrive well equipped.

School Office

Please ensure your child is in school every day with a (named) coat and also remembers their facemask every day. Please refer to the updated handy fridge guides for each year group on the website [here](#).

Recruitment

We are currently advertising for a Lunchtime Supervisor and a Clerk to the Local Governing Body – if interested, please [click here](#) for more info and to apply.
