Brief news and achievements from the last two weeks:

Expressive Arts Faculty

Miss Large's Year 9 Art class has been working on some fantastically vibrant gestural paintings, bringing some much needed colour to these gloomy November days!

Humanities Faculty

Our Student Council works together to help make BSW the best possible place for our students to learn and enjoy their time here. This week they have been asking our student body about the changes they would like to see in school. Each tutor group is able to submit their suggestion for improvements that can be made in school and these will then be put forward for consideration.

Leadership Team

We'd like to say a big thank you to all those parents and carers who completed the survey following the Welcome to Year 7 event. The feedback has been really positive overall and we're glad to know that our Year 7 students feel they have settled in well during their first term at BSW.

Extra-Curricular

We continue to provide an excellent array of extra-curricular activities for our students to take part in. From art and music to sports and outdoor learning there really is something for every pupil. We expect every BSW student to sign up to and enjoy an extra-curricular activity. More information about current provision and upcoming opportunities will be available soon.

Pastoral Team

BET's game-changing ethos is built on empowering students to act for a better world. With this in mind, it has been decided that **students may wear non-school uniform on Tuesday 1 December**. Students will need to pay £1, which will be donated directly to our local food bank Redeemer to help support those locally in need. They should bring this in on the day. In addition, students and parent/ carers can donate The Trussell Trust – a charity supporting those in poverty and campaigning for change to end the need for food banks. Donate at: <https://www.gofundme.com/f/first-for-food>

This year, we are collecting selection boxes as a gift for Turning Tides service users, to provide some small comfort in these particularly troubled times. This will begin from today through to 11th December. Selection boxes cost about £1 and are COVID-secure being that they are individually wrapped. Students can bring them in and place inside the boxes in our canteen. We hope to provide as many as possible and we hope you will support this drive.

Exams Team

Students in Year 11 have almost completed their second week of mock exams. We have been really impressed with their focussed attitude and excellent organisation during what we know can be a stressful time. We wish students all the very best in their mocks and throughout the rest of their exam year.

School Office

Please ensure your child is in school every day with a (named) coat and also remembers their facemask every day. Please refer to the updated handy fridge guides for each year group on the website [here](#).
