

Y7 Lexia Power Up

Dear Parent/Guardian,

Thank you for your continued support of the introduction of Lexia Power-up. Since starting the program, our Year 7 students have achieved an amazing 32,000 minutes! We hope your child can be proud of the contribution they have made to this as every minute helps them improve on a range of key Literacy skills.

To move forward and allow students to achieve as much as possible, we are introducing an increase to the weekly expectation. All students will now be expected to reach 100 minutes throughout the week, this includes their English lesson so will most likely involve each student completing between 40 and 60 minutes as homework. It is recommended that they do this in short spells, around 15-20 minutes at a time. This will be monitored by their classroom teachers and students who frequently do not meet this target will be offered support in the first instance and may later be followed up with an invitation to a catch up session on a Friday afternoon.

We are also really excited to be introducing a rewards scheme. Throughout the next term, we will be ensuring that students are recognised for exceeding the recommended 100 minutes, tutor groups who get the most minutes logged and for those who complete the most throughout the term.

We are aware from the feedback at our YR7 information evening that some technical issues are affecting a number of users of the program. We continue to work hard with Lexia to ensure this gets fixed, and appreciate your patience. We believe the 'little but often' approach is the best way to manage some of these issues

If you have any further questions, please contact me on the email address below.

Yours sincerely,

Tom Pearson
