

BSW Anti bullying week

Dear Parents/Carers,

I would like to thank the large number of parents who completed our parent survey. Following feedback from the question around bullying in which a small number of parents stated that their child had experienced bullying at Bohunt. During follow up calls for clarification with parents we were able to identify that a half of these students had experienced unpleasantness in single isolated incidents as opposed to persistently over a period of time, which is how we define bullying as a school.

We always take any unpleasantness between students seriously and as part of our continuing commitment to educating and supporting students on a range of different issues that may affect them.

Please find a link to **this weeks'** assembly around the theme of bullying produced by Mr Cordwell Assistant Headteacher which you can watch at home.

As a parent if you have any concerns around your son / daughter's interactions in school then please do not hesitate to get in touch with their form tutor in the first instance.

I have also included some additional links which may be of interest.

Best wishes
