

Y7-10 Extra Curricular Activities Spring Term 2021

Dear Parent/Carer,

After a very busy and successful term of co-curricular activities, we are pleased to share with you our after school programme for next term. This includes teacher led activities running Monday to Thursday and our Friday offer.

We have worked hard to incorporate what students have asked for and do hope there is something for everyone included. It is our expectation that all students commit to attending at least one club a week. **Tutors will be supporting students to sign up during tutor time but this process can also be done at home by following the link below, students must sign up before the end of term.** All students will then begin their chosen activity during the first week back in January. There are a small number of activities, indicated on the timetable and sign up sheet which require a payment of £3 per session, (£39 for the 13 sessions this term). To secure a place on one of these activities, you will need to pay through our portal by Monday 4th January 2021. If your child is entitled to Free School Meals, they may qualify for a reduced rate. Please contact Heather Carcary - hcarcary@bohuntworthing.com for further details.

Highlights of some existing and new activities on offer next term:

Students are expected to attend their chosen activity each week for the term. We would be very grateful if you could inform the office through a note or phone call if your child has a planned absence from an activity on a Friday afternoon. It is vital for safeguarding of our students that we know exactly who is taking part in activities after school.

Please note that the current co-curricular activities will run up until Thursday 17th December of this term. We will be rewarding the attendance to co-curricular activities with ten eras for every ten clubs attended.

Yours sincerely
