Thursday 21 st January	Y11 Prepare to Perform 6.30 to 8pm	Y11 Students and Parents	Further info to follow

Brief news and achievements from the last two weeks:

Leadership Team

We would like to thank our students, staff and parents and carers for making our first ever virtual parents' evening such a success. On Thursday 3rd December parents and carers of our Year 10 students were able to speak to teachers across all subjects about the progress their child is making. The feedback provided by both parents/carers and staff was very positive and will help us make the next virtual parents evening equally successful.

We are excited to announce that we will be joined by two new members of staff in January. Mrs Pownall and Mrs Jones will be covering maternities in both English and Maths respectively.

PE/Sports

This December our GCSE PE students have been working hard to improve their non-exam assessment (NEA). Both groups have had the opportunity to visit Blackland Farm in East Grinstead to work with specialist rock climbing coaches from E3Adventures. Over the two days, students developed their skills in rope work, climbing and belaying. Students will receive their final assessment marks in the New Year which will contribute to their overall GCSE they will be awarded with in August.

Extra-Curricular

We have now published our extra-curricular opportunities for next term with even more brilliant clubs and teams to join. We expect all of our students to sign up for at least one club or team and we hope that everyone is able to find something that appeals to them from our impressive and varied selection.

Mr Cochlin delivered an inspiring assembly on the importance of Outdoor Education and the brilliant provision we have at BSW for outdoor learning. Highlighting the excellent work our Duke of Edinburgh Award students are completing and the Bushcraft area that is being developed on the school site, the assembly also gave us a preview of the John Muir Award that we will encourage students to complete. More news to follow soon!

Pastoral Team

We are delighted to announce that our non-uniform day on Tuesday 1st December raised an incredible £669 for Redeemer Worthing Foodbank. A big thank you to all of our students who took part. This money will make a real difference to families this Christmas and beyond.

There is still time for students to donate selection boxes to our Turning Tides collection boxes. We have already collected an amazing quantity of goodies which will be given to Turning Tides and distributed to homeless people in our community this Christmas. A huge thank you to all who have already donated. Please keep giving so that we can make this a bumper year!

Exams Team

Well done to all of our Year 11 students who have now completed their first round of mock exams. Students will begin to get feedback from their teachers which will help them to make progress towards their next round of mocks in March. We wish all of our Year 11 students the best success going forward.
