

Year 9 iPad Offer

Dear Parents and Carers,

I would like to take this opportunity to update you regarding iPads and device renewal. Historically, we offer an option to purchase an iPad through our portal at Easter, which would see the current year 9 cohort through to the end of year 11 with an insured device. Unfortunately, due to the national lockdown and supply chains being interrupted we do not have access to any devices at the moment. Orders backdating to December have yet to be processed, therefore we can not offer the renewal this year. The majority of students will continue to use the devices purchased in year 7 or 8 until the end of year 11 without the need to replace them. However, as you may already be aware the devices are not insured beyond 2 years from the date of purchase. If you decide to renew your child's device through a retailer we advise sourcing your own insurance to cover against accidental damage.

We are planning to open a portal for Year 7's joining us in September, as it is expected that supply lines will be reopened at that time. Unfortunately, current year 9 students will not be able to purchase through this portal as the insurance and finance agreement would extend beyond the students time at school and not be accepted by the portal.

Yours sincerely,
Mr P. Jones
