

## Year 10 French Master Class

Dear Parent/Carer

### Year 10 French master classes

I am writing to inform you about the Year 10 French master classes which will be running for the summer term. We strongly believe attending these sessions will be highly beneficial for students and provide them with the opportunity to consolidate important concepts and knowledge that they will need, practising and applying content and strategies across the four skills; listening, reading, speaking and writing. These sessions will start in the week **26th April** and continue for the remainder of the academic year.

I would also like to take this opportunity to remind you of the range of additional support material and resources the French department has on offer to help students with their independent revision. If you follow the link, we are populating a specific folder for Year 10 with a variety of revision resources, including knowledge organisers and past paper exam practice.
