Thursday 30 Sept	BSW Open Evening (Early closure 1.40pm)	All BSW students	

Brief news and achievements from the last two weeks:

Communications Faculty

We are delighted to report that our brilliant Mandarin teacher Miss Fu was one of just four people to achieve an Excellence in Teaching Mandarin award at the National Confucius Institute annual conference in London on Saturday 11 September.

PE/Sports

A fantastic team of BSW students volunteered to operate the Mile 19 Water Station at this year's Brighton Marathon on Sunday 12 September. The students provided a much needed refreshment to the runners with smiles on their faces, making the school proud. A big well done also to Ms Message, Mr Attrell and Mr Pope who ran the Marathon!

Leadership Team

Next week we start our Open Mornings for prospective families who may be looking to join Bohunt School Worthing. We are also encouraging all Year 7 and Year 8 students to sign up to become Tour Guides for our Open Evening Event on Thursday 30 September. Every student in this year group has received a letter which needs to be signed and returned. Years 9, 10 and 11 will play a role supporting departments, with more information shared next week.

We wish our brilliant team of Learning Support Assistants a happy National Teaching Assistant Day! We're so lucky to have such a formidable group of LSAs who support our students in reaching their potential.

A huge thank you to our testing team, students and parents/carers for helping make the process of testing students on return so smooth. All students received two tests at the start of term, helping to ensure our school remains as safe as possible. Students will now continue to test twice weekly at home, on Sunday evening and Wednesday evening.

Extra-Curricular

We're very excited to announce that our co-curricular offer of clubs and study support begins again from Monday 20 September. Students have signed up for a huge variety of clubs that will take place Tuesday-Friday, run by a mixture of school staff and external providers.

Exams Team

Our current Year 11 students have made an excellent start as they commence their GCSE exam year. During their first two days back in school students attended a series of motivational workshops run by staff. They also had the chance to hear from some of our alumni from the class of 2019 about where their success at BSW has taken them!

School Office

Students will be returning home with their school photographs, the deadline for ordering these photographs is Tuesday 28 September.
