

BSW Governors - parent governor election results

Dear Parent/Carer

I am writing to inform you of the result of our election for a parent governor:

Elected: Vanessa Jackson

We would like to thank all those who considered the role, however in the end, Vanessa was elected unopposed. Vanessa became a Bohunt parent this year and has already joined our parent engagement group. I have included below her election statement so you can get to know a little more about her:

"As a parent of a year 7 pupil I felt both excited and apprehensive for my child's next steps. Even though I have an older child who went to another local secondary school, Bohunt do things differently. Not being someone who is frightened to ask questions and who firmly believes in accountability, I would very much like to support the board with how the school transfers its ethos of Enjoy, Respect, Achieve into its overall vision and strategy. I have a genuine interest in how these decisions benefit the outcomes for all our children. I have a vested interest in supporting those who are in charge and that they are held accountable for the performance of the school, its financial security along with the happiness of staff and students. I have 25 years' experience in education so understand education and the curriculum, 17 years of those years were working with children with additional educational needs and I understand the importance of safeguarding and confidentiality. I am able to commit to this role with good communication skills I hope to be an asset to the governing board and the school community."

Being a governor is an extremely important school role. If you are interested in governance vacancies in other schools in the area, please register your interest with Governors for Schools. The service is free and they help to partner volunteers with local schools who are recruiting for new governors: www.governorsforschools.org.uk

Yours sincerely,
