

Welcome to Prepare to Perform 2 – Thursday 20 January 22

Dear Parent/Carer

I am writing to you today to share with you our plans for next week's second Year 11 'Prepare to Perform' Virtual Evening on **Thursday 20 January**. The upcoming weeks can be the most important period of your child's education so far and in order for each student to be as successful as possible, it is important that the link between school and home continue to be strong. This is the second Prepare to Perform evening tailored at supporting your child in their **GCSE Mathematics, English and Science**.

How will the Virtual Event work?

We have shared below the links to three presentations, which should be viewed ahead of the Virtual Event next week. These videos are short presentations from each Curriculum Leader in Mathematics, English, Science, on the exam specification and course overview, exam questions, revision topics, how to revise and where to find revision material for each subject, including supporting your child during the exam period.
