

National Apprenticeship week

Dear Parent/Carer

This week is National Apprenticeship week!

Apprenticeships are an exciting option for students to consider as a pathway at 16 or 18 plus. You can now study an apprenticeship up to university level in a wide range of industries including the creative industries, business, law, health related roles, as well as the more traditional practical trades. Find out more here: <https://www.apprenticeships.gov.uk/apprentices>

Throughout the year we complete a number of activities connected to apprenticeships with students; this includes an apprenticeship session for Year 10's in the June ERA week, as well as apprenticeship masterclasses for those students considering this path in Year 11. We will be promoting National Apprenticeship this week to all students through activities in some lessons and tutor time, as well as through interactive posters around school and activities/information shared on the BSW careers google classrooms.

The Amazing Apprenticeship website has a range of brilliant resources specifically for parents/carers that can help you to learn more about this pathway- including a Parent Perspective Podcast, as well as a monthly Parent and Carer information pack, and various other parent specific worksheets offering valuable hints and tips. To find out more check out the parent zone on the Amazing Apprenticeship website: <https://amazingapprenticeships.com/parent-zone/>
