Brief news and achievements from the last two weeks:

Leadership

We are pleased to confirm that we will be able to share the new Headteacher announcement with all parent/carers after half term, on Monday 28th February.

Communications

On Tuesday 1st February, we were delighted to wish everyone a Happy Chinese New Year. Our brilliant Mandarin department put on a range of activities and events around the school. Students who wish staff a Happy New Year in Mandarin can claim a small red envelop in return with a surprise treat inside!

Humanities

On Wednesday 3rd February, our Y11 Historians visited the Imperial War Museum's new Holocaust Galleries. Students spent time learning about personal stories and testimonies, studying and examining historical artefacts; books, artwork, letters, everyday objects to better understand and reflect.

On 27th January, BSW marked Holocaust Memorial Day as students wrote their personal pledges for our Time Capsule. Students considered how their words, deeds and actions can help create a world, that one day exists with no genocide, persecution or hatred.

Expressive Arts

Extra-Curricular

Ms Armstrong, our Careers Leader has been promoting National Apprenticeship this week to all students through activities in some lessons and tutor time, as well as through interactive posters around school and activities/information shared on the BSW Careers Google Classrooms.

A big thank you to the UK Warhammer Alliance for the fabulous resources they sent for our after school Warhammer club. They will be very popular! The club runs weekly in the LRC and is very well-attended.
