

WATCH HERE: Prepare to Perform 3

Dear Parent / Carer,

This academic year you have been invited to attend two virtual '**Prepare to Perform**' Evenings where you are able to watch a short presentation and ask questions of our Leadership Team and the Curriculum Leads of English, Maths and Science on how to best support your child in preparations for GCSEs. To support you further, our Subject Leaders of every option subject has prepared a short presentation for you to watch at home. The presentations contain information on examination dates, how you can support your child in their subject, and where to find useful revision materials.

These presentations below were specifically made by each member of staff to support you and your child in their preparation for GCSEs. I do ask in the next week you take a moment and view these short presentations, either with your child or alone, to be in the strongest position to best support them in their final year at school.
