

Important Expectations within PE Lessons

Dear Parent/Carer,

I hope your son/daughter has settled in well during their first few weeks of the new academic year.

Within the first double PE lessons students have been taken through a presentation outlining expectations within PE with regards to kit / uniform, effort and participation within lessons and extra-curricular activities. Students were also given a brief outline to our NEW PE and Sport Presentation Evening which we will be running at the end of the year. I have attached the key information from the presentation to this email for you to look over at your convenience.

The slides at the end of the presentation refer to our Celebration Evening and includes information about identifying our most gifted students in PE, sport and dance. We would like to know our top performing student athletes who are competing/performing to a high level in their sport. From this information we are aiming to provide extra opportunities throughout the year to support their needs. If you believe this relates to your child please complete the Google Form below.

Lastly, at some point during the year your child may be participating in rugby within their PE lessons. If so, students require gum shields to access some of the skills within the sport. Their PE teacher will inform them if they require one, but if they do, gum shields can be purchased through School Gateway.
