FOLLOW UP TO THE MICHELE MILLER YEAR 11 REVISION WORKSHOP DAY

Dear Parents\Carers,

I am writing to follow up on the recent Year 11 Revision Workshop Day, and to thank all those involved for making the event such a success.

Firstly, we would like to extend our sincere thanks to Michele Miller for delivering such a high-impact and engaging session. Her expertise and clarity in outlining effective revision strategies has provided our students with a strong foundation as they prepare for Mock Examinations #2 and the Summer GCSE examinations.

We would also like to commend our Year 11 students for their excellent attitude, focus and dedication throughout the workshop. Their engagement reflected a real commitment to improving their revision habits and exam readiness.

Thank you to the parents and carers who were able to join the online parent session. Your involvement is a vital part of our shared approach to supporting students through this important period.

Access to resources:

- The presentation slides from the workshop are available via this [shared link](#).
- Past papers for self-testing can be accessed through our BSW [Highlighter website](#), which students are encouraged to use regularly as part of their revision routine.

Proud to be part of the Bohunt Education Trust

Ongoing support:

The messages and strategies introduced during the workshop will continue to be reinforced through:

- Tutor time activities
- Year 11 assemblies
- Subject lessons
- Dedicated revision sessions as we move towards the final examinations

This coordinated approach ensures consistent support for students across school and home, and we are confident it will make a meaningful difference to their preparation and confidence.

Again, thank you very much for your continued support.

With best wishes,

Mrs. Gayle Rennie

Assistant Headteacher
