Introduction New Headteacher

Dear Families,

I am delighted to write to you as the Interim Headteacher of Bohunt School Worthing as we begin the new term. I am very much looking forward to officially taking up the role and becoming part of your school community.

Although this is my first full-time post at Bohunt School Worthing, I am not new to the Bohunt family. Over the past seven years at Bohunt Horsham, and in my wider work across the Bohunt Education Trust, I have had many opportunities to visit your school. Every time, I have been struck by how supportive, and committed the staff are, and how welcoming and engaged your children have been. I have previously worked as a SENDCo, pastoral & safeguarding lead, and as a maths teacher, having been fortunate to work in some of the most high-performing schools in the county. These experiences have given me a deep understanding of how to support every student to succeed academically, socially, and personally.

Bohunt School Worthing is a place where students are given opportunities to thrive. I have been incredibly impressed by the focus I have seen in lessons, the high standards teachers set, and the amazing participation in clubs, arts, sports, and enrichment activities. Our students take pride in their work, support each other, and seize the many opportunities on offer: from the classroom to the stage, from sporting fields to leadership roles.

What can you expect from me? I will be visiting lessons regularly, ensuring that teachers are supported and developed with a laser focus on student participation. My priority is that every student has the tools they need to thrive and can actively engage in all lessons, building the knowledge, confidence, and skills that will set them up for success.

Proud to be part of the Bohunt Education Trust

Headteacher: Mrs N Jones BSc (Hons) NPQH

I am passionate about ensuring every student feels safe and able to succeed. As part of this, I will celebrate the hard work your children are putting in, alongside Heads of House and staff, recognising effort, achievement, and positive choices.

This term, we have an exciting highlight with our school production, Charlie and the Chocolate Factory, which will showcase the creativity and resilience of our students. But this is just one example of the wider opportunities that make Bohunt School Worthing a place where students flourish, academically and personally.

My hope for your children is that they continue to strive for excellence in everything they do. This means engaging fully in lessons, taking pride in their work, attending school consistently, and participating actively in enrichment. By doing so, they will not only make the most of their time at school but also develop the skills, confidence, and ambition to achieve their goals.

I am excited to lead this journey with you and your children, and I am confident that together we can make this a truly successful and inspiring year.

With best wishes,

Mrs N Jones
Headteacher
